

One Night in a BOX - HUGE SUCCESS!

On February 26-27, CAM teamed up with the Norman Network of Youth Ministries to host One Night in a Box. Forty participants braved the 33° F weather for a memorable experience sleeping outside in cardboard boxes. Their efforts raised \$1,942.24 for agencies assisting the homeless in the Norman metro area. Particular thanks go to Dylan Starchman, Carlee Geisler, Breanna Upton, and Cassie Upton for raising over \$145 each. This event also helped raise awareness of the plight of Norman's homeless by giving the youth the opportunity to actually experience what someone might go through if they became homeless.

[The Norman Transcript](#) (Sat. Feb. 27) and the [Daily Oklahoman](#) (Wed., March 3) published wonderful write ups of One Night in a Box, and there are photos of the event in our photo gallery. Thank you to all who participated and contributed; together we are making a difference in our community.
